

Coming Soon: Springtime!

Ready for a Vacation?

What's so great about living in the heart of Levis Commons? Why, it's the vacation, of course! Treat yourself like a guest. Use your front door, walk to your favorite meals, movies and activities. Don't even worry about your lawn & flowers needing some TLC!

No need to call a cab or run all over town, you can share your quiet moments and happy occasions right here in Levis Commons. Who needs to cook? Pick up your favorite fare at any of our 16 eateries, serve it on your Brownstone Village granite countertop and everyone will be amazed at your hosting skills.

Levis Commons presents some of the best amenities offered by World Class cruise lines: delicious dining, spacious accommodations, events and activities galore, and carefree days - but without the sea legs! With only one floor plan left in the latest building, the stunning 4-story Dorset, you better hurry before they are all gone and you've missed the boat! As Princess Cruises declares, "Come Aboard. Escape Completely."
